 Hi My Name Is Ahmed Mustafa, 24 Years Old (1999/5/5)
A Recent Graduate (August 2022) 🎓, Studied Information Technology In
University Of Science & Technology (UST) in Sudan.

Sudanese, Filled With Passion For Many Fields in CS, Colleagues & Friends Love
To Say Focus In One Field But My Heart Just Resists & Just Fall In For Many
(Pure Love "Immaterial").

Recently Focusing In **Software Engineering** & Interested In:

- **Exploit Development** (so started to learn building blocks like assembly 🐞),
- CyberSecurity (which many others seeking, but I believe Only Ones Who Truly Loving It
Will Continue To Accomplish What They Love).
